Subject: We need nirvana

The models and photography in the Special Editions is great, but recently there have been too many strategically placed hands, sheets, jewelry, etc. You are guarding that real estate as if it's Fort Knox. Most models seem to have no problem showing us glimpses of nirvana — so it must be the editors. A little less editing please, thanks!

We do our best to find the right balance between photos that are demure and those that are explicit. Generally, we do err a bit on the conservative side so we can maintain the highest standards for beautiful, yet sensual, photographs.

Subject: More Jessica, please!

The new *Hot Housewives* was exceptional and cover model Jessica Zelinske was a major reason why. Her piercing blue eyes, beguiling smile and banging body definitely left me begging for more of her. Future SE appearances by this domestic goddess are definitely a must.

Subject: Supersexy wife

While all the ladies featured in the latest issue of Playboy's *Hot Housewives* are exceptional, I was really excited that Suzanne Berkshire was included in the issue. In my humble opinion, it's been way too long since we've seen this beautiful woman who truly exemplifies the term hot housewife!

Cover Girl Profile

Katie Carroll

My path to Playboy: I met Playmate Crystal Harris at a gas station in Beverly Hills and she invited me to the Mansion, which was quite the experience. Since then, I was part of the PAC-10 college conference search for PLAYBOY magazine and became a Coed of the

Week in the Cyber Club. I've also shot for Special Editions, participated in Playboy Golf events and recently I appeared on Playboy TV's *Camp Playboy*. **As a young girl:** I remember seeing Cindy Crawford in the pages of Playboy and from that moment on I knew that I wanted to test my Playboy potential. I love shooting for Playboy and testing for Playmate is definitely a goal of mine.

Hangin' with Hef: I've been a guest at the Mansion many times and it's fun to hang out for movie night or at the pool on Sundays.

For fun: I like to travel and go on random, spur-of-the-moment adventures with my girlfriends. I also enjoy shopping and going to the beach. **Turn-ons:** Confidence,

intelligence and a guy who wears glasses. **A great date is:** Sharing a nice meal together followed by cuddling on the couch.

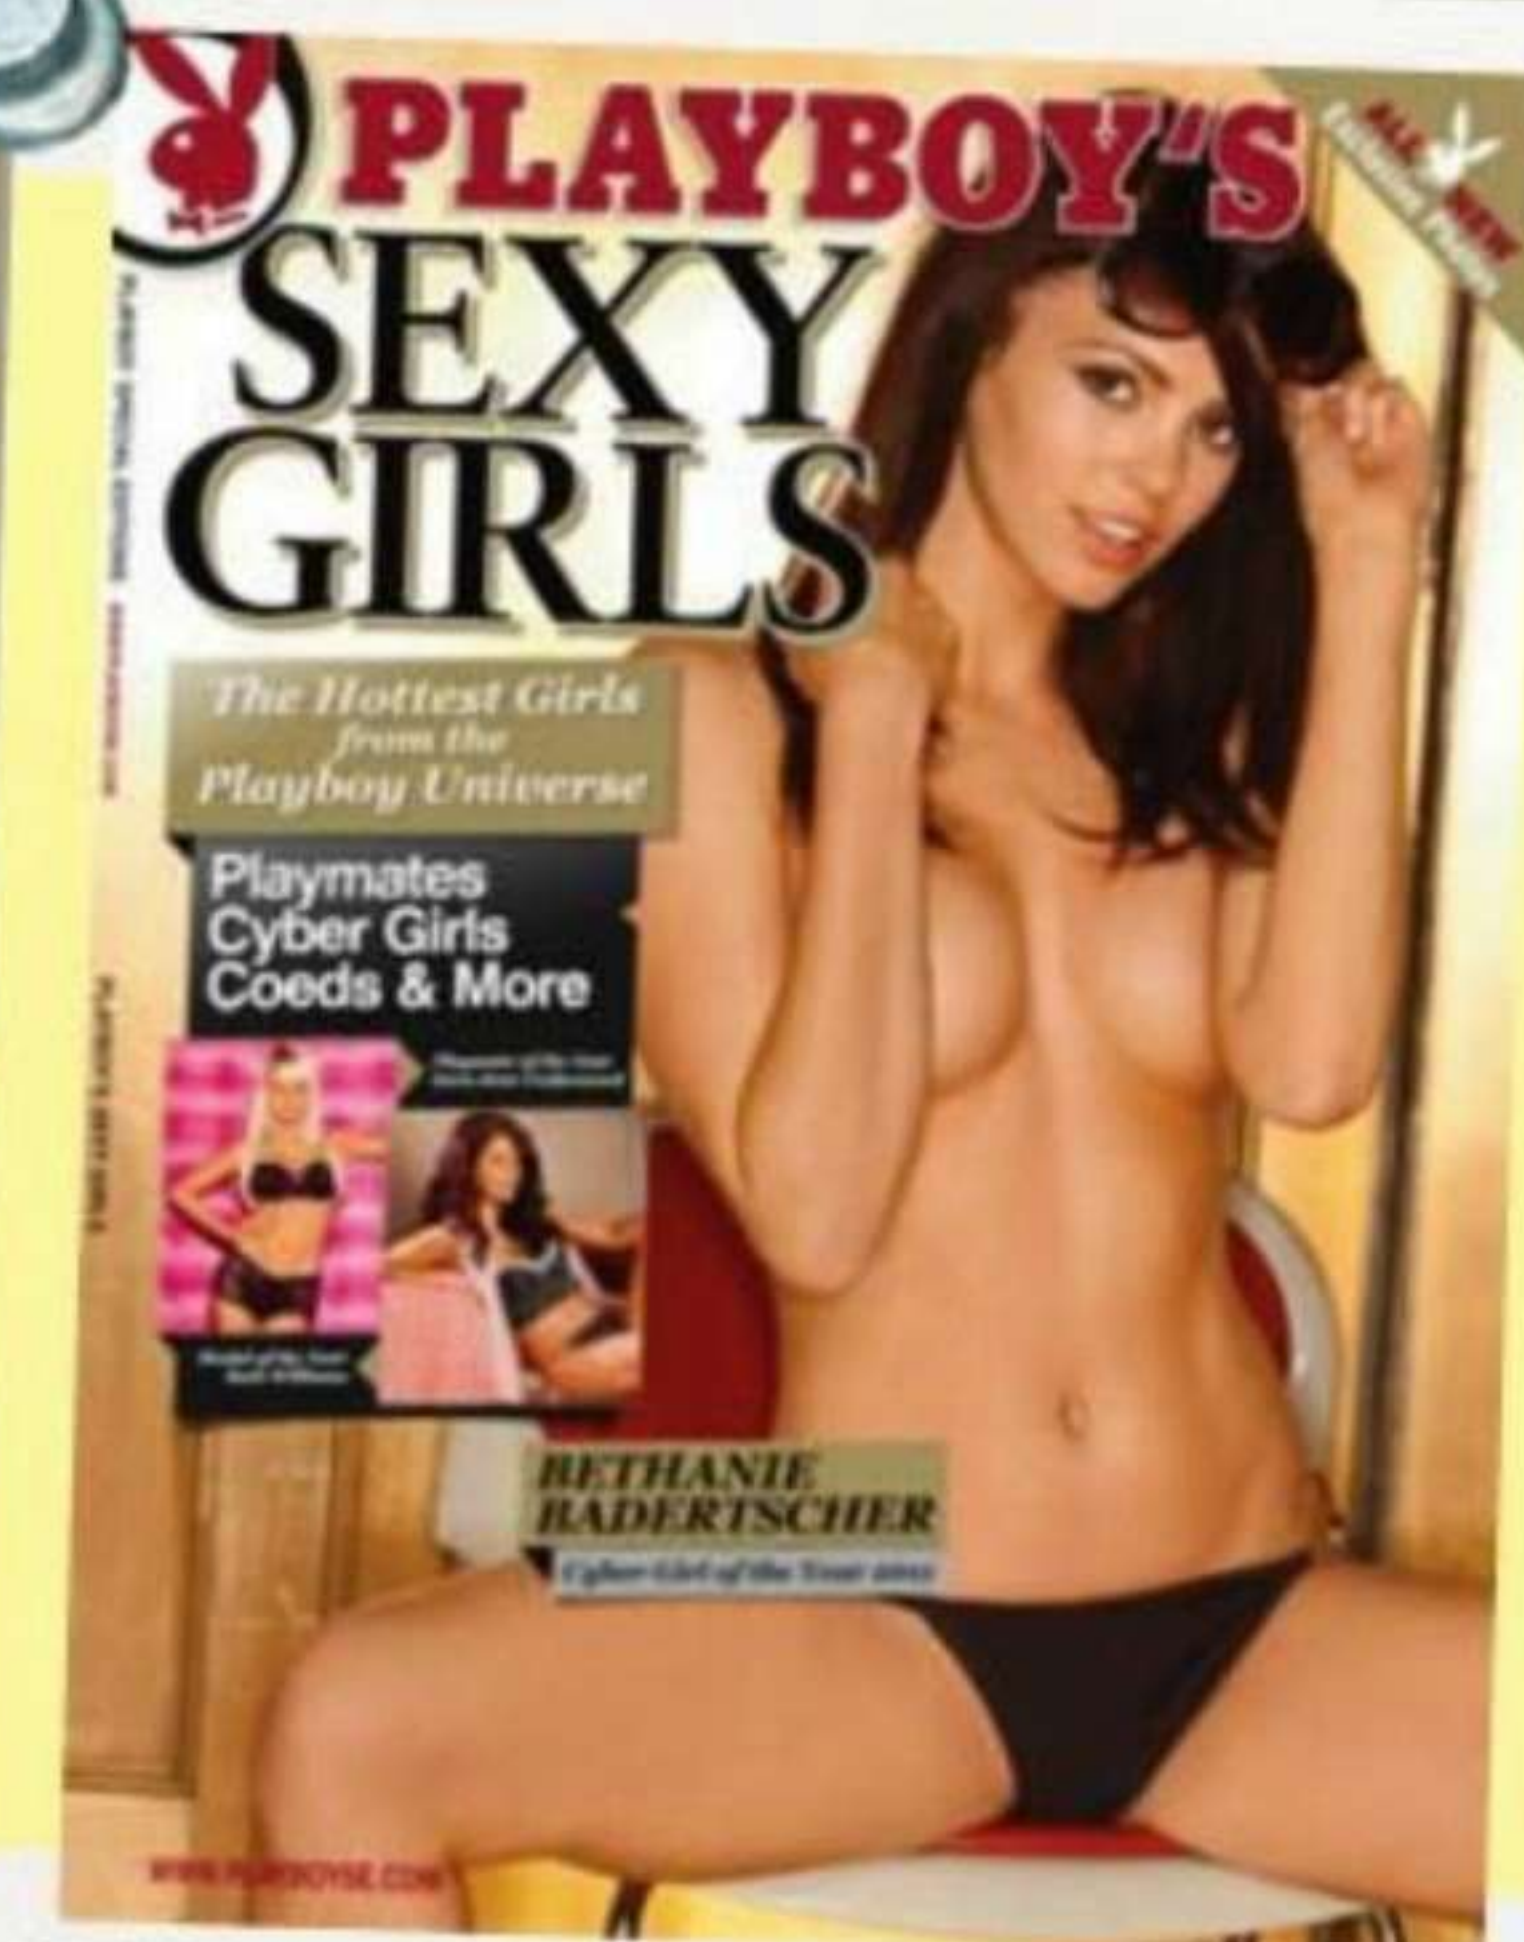

Best asset: My eyes are my best feature—I love to put on makeup that really accentuates my big eyes. And I'm also 100 percent natural—no implants. **Future plans:** After I graduate, I want to continue hosting, modeling and acting. In fact you can see me on the series finale episode of *Entourage* as a flight attendant walking Jeremy Piven's character to a plane. **In five years:** I see myself on the red carpet at the Emmy awards being recognized for writing and acting in a sitcom—something like Tina Fey and *30 Rock*.
